URBANI YACHTS

Uncompromising **luxury** boundless **comfort**
unmatched **sustainability**

URBANI YACHTS

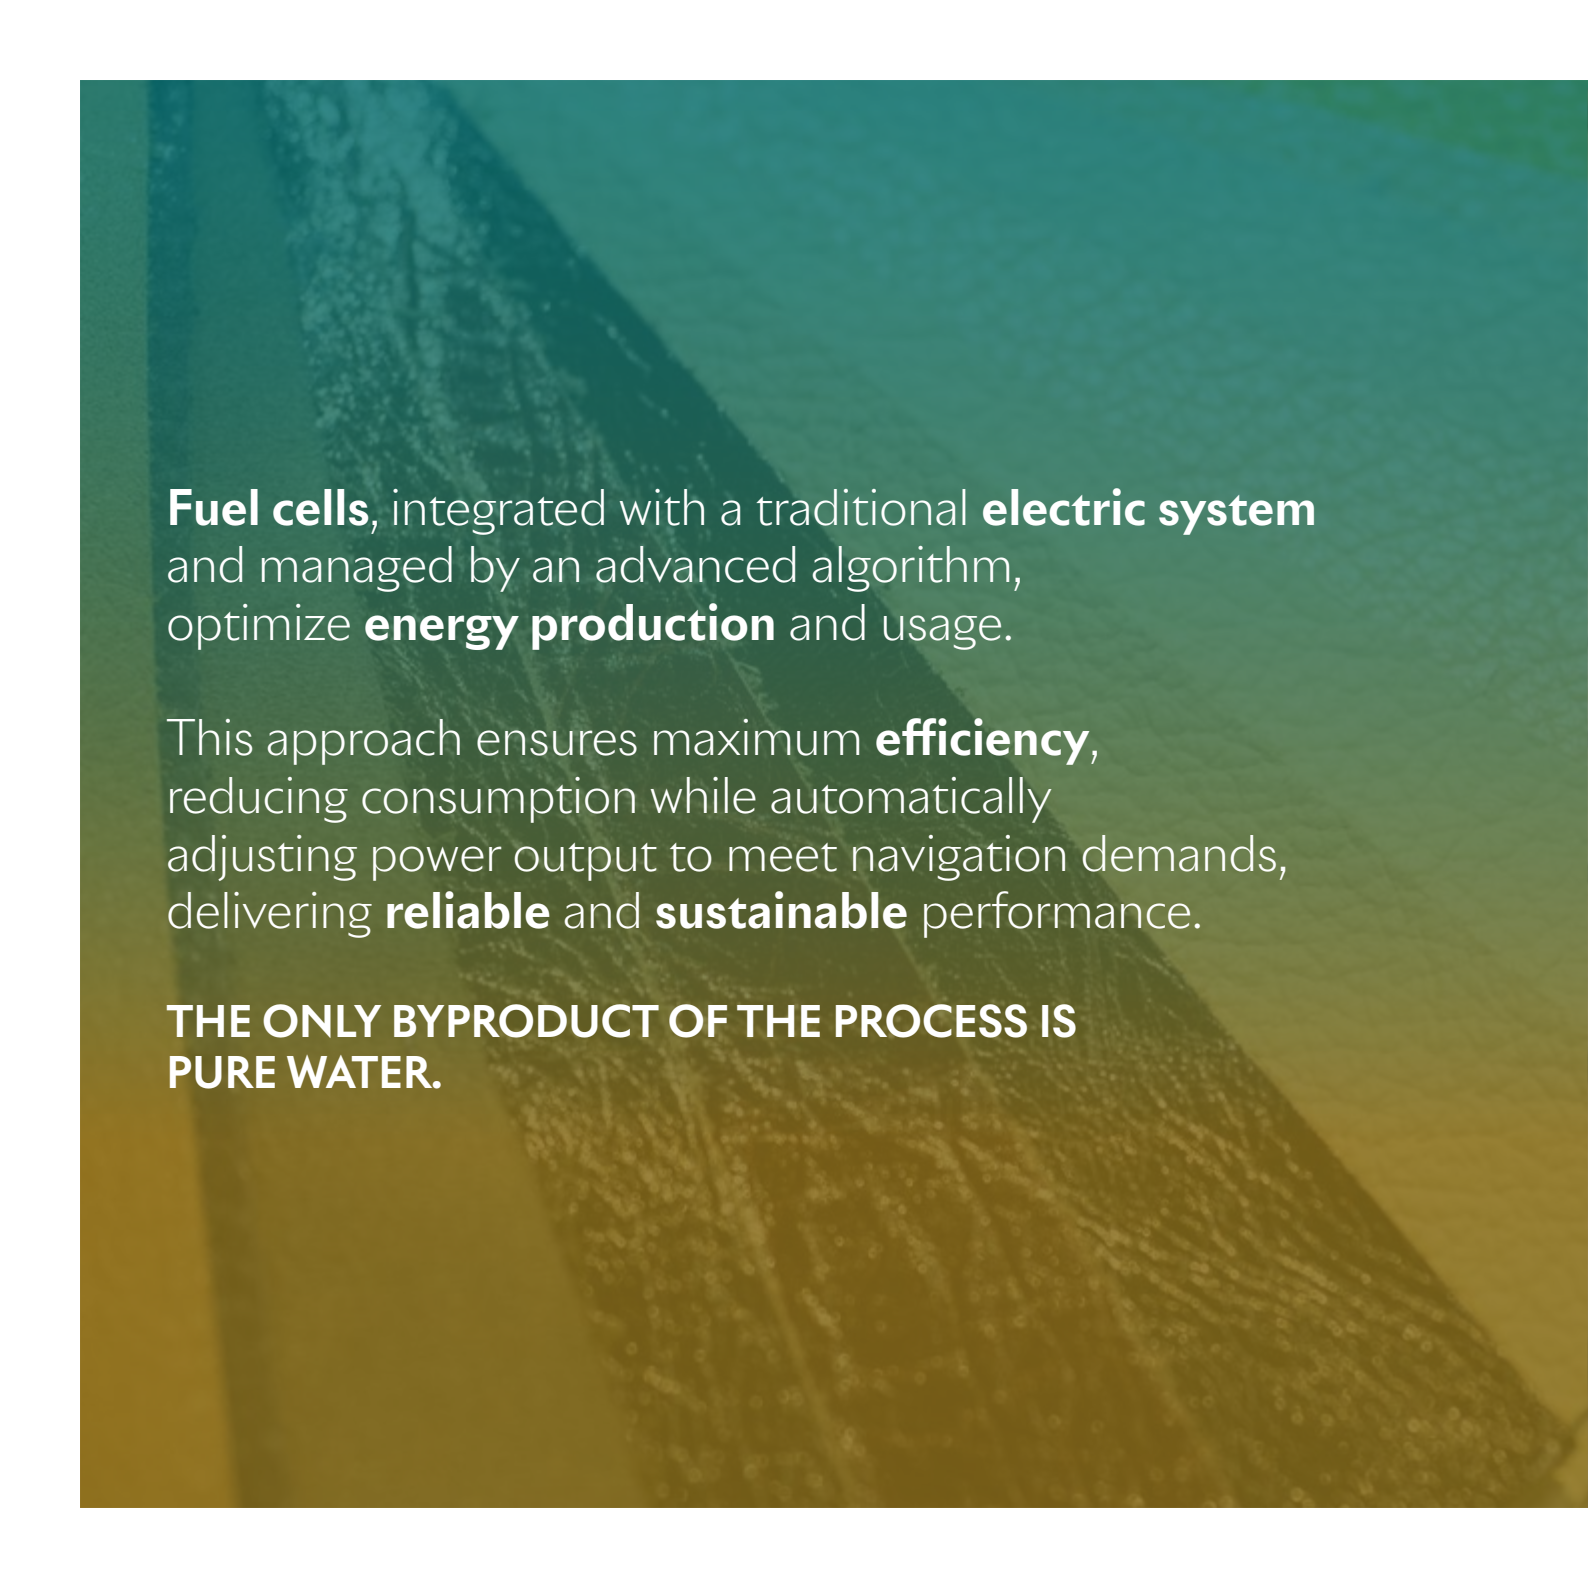

Where **silence** meets
pure serenity on the **water**

Our yachts combine **luxury**,
comfort and **elegant design**
with **advanced technology** and
customizable spaces.

The use of **hydrogen** and **eco-friendly**
solutions minimizes environmental impact.

Each vessel is
a perfect blend of **innovation**
and **sustainability**, setting a new standard
in high-end yachting.

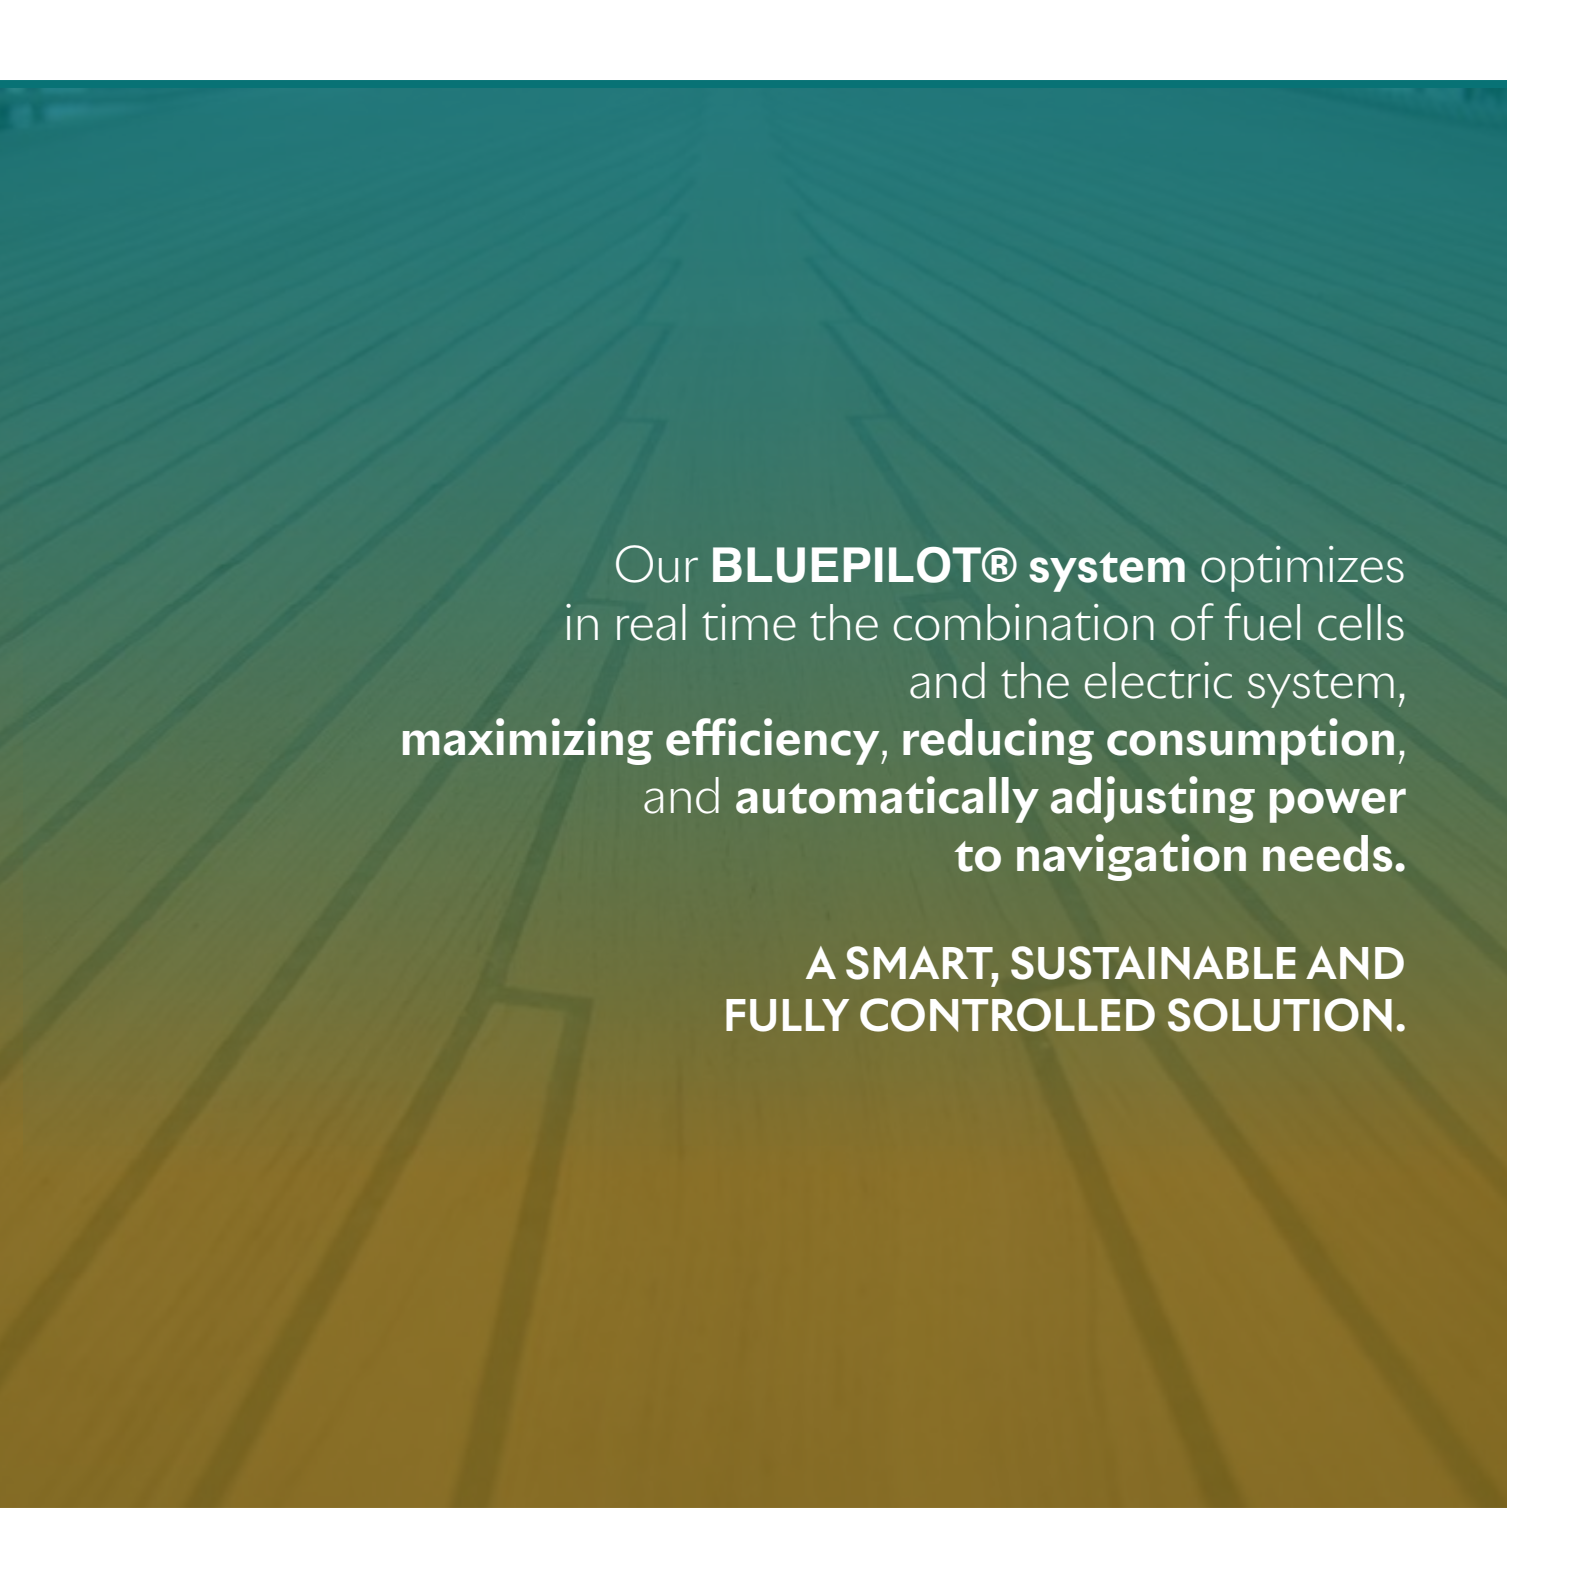

Fuel cells, integrated with a traditional **electric system** and managed by an advanced algorithm, optimize **energy production** and usage.

This approach ensures maximum **efficiency**, reducing consumption while automatically adjusting power output to meet navigation demands, delivering **reliable** and **sustainable** performance.

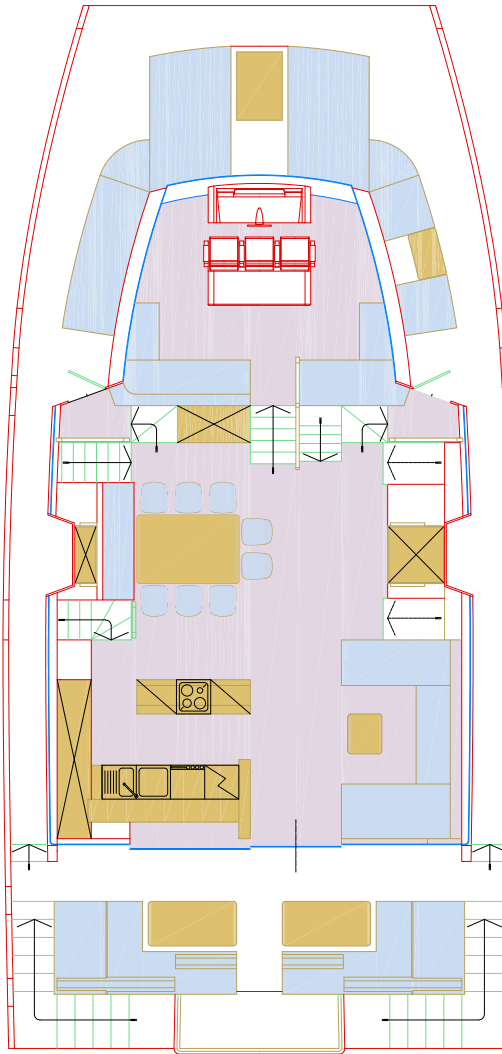

**THE ONLY BYPRODUCT OF THE PROCESS IS
PURE WATER.**

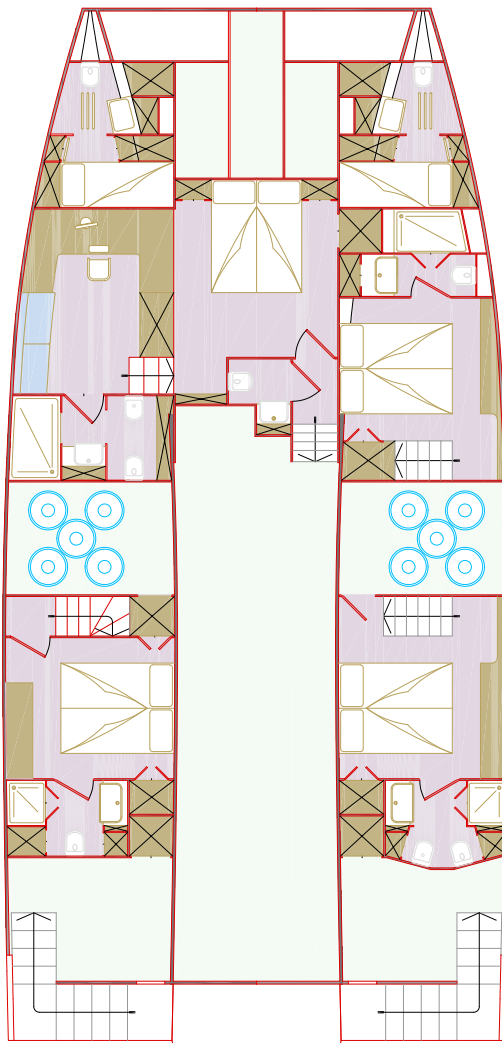

Our **BLUEPILOT® system** optimizes
in real time the combination of fuel cells
and the electric system,
maximizing efficiency, reducing consumption,
and **automatically adjusting power**
to navigation needs.

**A SMART, SUSTAINABLE AND
FULLY CONTROLLED SOLUTION.**
